in common areas*: **6 IN FAVOUR
ONCE***, 2 OPPOSED, 2 IN FAVOUR
TWICE*

RESPONSIBILITIES OF THE VOLUNTEER WATER CO-OP

Responsibilities of the Water Co-Op include but are not limited to:

- Following the "Water User Agreement"
- Fees paid annually to cover various operating cost like power, insurance, repairs, emergency fund. Voted on at AGM.
- Maintenance of pipes, pumps and cistern.
- Run by volunteers.
- Roadway and common space are owned by the Co-Op.
- Snow removal, this is because we need access to the cistern.
- **We are not a Homeowners Association (HOA)**

COMMUNITY COMMITTEE RESPONSIBILITIES

Responsibilities of the Community Committee include but are not limited to:

- Garbage removal
- Community concerns such as:
 - Lawn maintenance, painting, maintaining common areas, collecting pop bottles and returning them for cash, work related to the pond such as putting in and taking out the fountain, sports field mowing and enhancements.
- Ideas/thoughts towards improving the community.
- Always looking for volunteers and ideas!
- In NEED OF VOLUNTEERS
- Anyone in our community is WELCOME TO JOIN!!!

RESPONSIBILITIES OF AUDITOR

- 6(1) The auditor is to make a report to the members
 - a) On the results of the audit with respect to the reserve account, and
 - b) On the financial statement of the association and that report must be laid out before the membership at an annual meeting of the

VOTE FOR AUDITOR

- Will Prince #2 continue?
- Willing to return as our AUDITOR

association.

- As communicated, the role of the auditor is not a part of the Board and as such does not attend Board Meetings, they audit the financials at the end of the year and report on their findings.
- The auditor will on a one-time basis annually review bank statements, invoices, and review where and why the money was spent. Compare the values (including general ledger) the board reports with the bank statements and provide a report for the AGM.

ONGOING BUSINESS

- **DUE APRIL 30, 2024 -Have you sent in the Water Co-Op Contract, signed Addendum and paid your fee (\$10) to be a part of the Water Co-Op?** This can be dated, e-signed on any device
- **DUE JULY 1, 2024 - \$727 fee per lot*** (Includes Community Club Committee Annual donation \$100)
- Rules and regulations of the Water Co-Op
- Emergency Response Plan
- **Generator** for the pump shack in case the power goes out, to be purchased in 2024.
- Drought Conditions – currently no water restrictions but watch county for more information
- Irrigation water will be turned on by the UID at their discretion, they will not give notice when it will come on, likely mid-May which can also be used in emergencies (pump for fire events)
- Dirt leveled in front of #43 from the line repair in 2023.
- SNOW REMOVAL a) call county first (2-4 days) b) private removal \$500+GST this is necessary to ensure our community is safe for water, power, fire and ambulance services.
- **SNOW REMOVAL FUND to be started (\$1,500 reserve).**
- **Auditor needed – Will Prince return?**
- Goal of reserve fund which started in 2019 at \$4,000 currently \$20,798.75 to grow to **\$30.000** as costs are increasing.

COMMUNITY IMPROVEMENT COMMITTEE INCLUDES

- Garbage – paid via the social club committee donation – currently have someone local that takes the garbage; as required and as funds are available.
- Weeds in grass (vote to approve)
- Tree grants
- Discussion on whether to reintroduce fish back into our pond.
- Fuel and maintenance on the lawn tractor.
- Grading the road via the county
- Multi activity (volleyball, badminton, tetherball) poles will be installed this spring in the circular green space – looking for a net for these activities.
- Social activities over the summer? Is the community interested in events like:

BBQ/pot luck

Sports day

Water meet up (visit on the pond with kayaks, canoe, paddleboard, etc.)

NEXT MEETING

Q2 MVWB Meeting **Wednesday June 12, 2024 @ 7 PM**

- **Community Improvement meeting to follow directly after the meeting.**
