GOVERNANCE

Auditor Report

Auditor's Letter — 2021 Financial Statements

Lorne E Jaques, volunteer auditor for the Mountain Vista Water Cooperative, reviewed the 2021 financial statements and found them to be in order. The reviewed documents were thorough, well organized, and readily accessible. (Lorne E Jaques, Cabin 10 — March 20, 2022)

Auditor's Note on Reserve Fund

The planned, and provincially-required, contribution to the reserve fund related to the potable water system was again set aside. Now that the reserve has grown and market interest rates have risen, the Board may wish to consider placing a portion in a term deposit.

Independence

The auditor is not a member of the Board and does not attend Board meetings. They function independently to provide objective assurance to all members of the Co-op.

Annual Review Scope

On a one-time annual basis, the auditor reviews bank statements and invoices to verify where and how funds were spent. They reconcile these with the general ledger and the values reported by the Board, then provide a written report for the AGM. This is a small time commitment — typically a few hours annually.

Regulatory Basis

The auditor's duties are defined under Section 6(1) of the Water Co-operative Bylaws.
