GOVERNANCE

Auditor Report

Auditor's Letter — 2025 Financial Statements

As volunteer auditor for the Mountain Vista Water Cooperative, I have reviewed the 2025 financial statements and found them to be in order. The reviewed documents were thorough, well organized, and readily accessible. (Tim Mabee, Cabin 40 — April 12, 2026)

Independence

The auditor is not a member of the Board and does not attend Board meetings. They function independently to provide objective assurance to all members of the Co-op.

Annual Review Scope

On a one-time annual basis, the auditor reviews bank statements and invoices to verify where and how funds were spent. They reconcile these with the general ledger and the values reported by the Board, then provide a written report for the AGM.

Regulatory Basis

The auditor's duties are defined under Section 6(1) of the Water Co-operative Bylaws.

ONGOING BUSINESS

Ongoing Business

Water Co-op Contract & Fees

Have you sent in the Water Co-Op Contract and paid your fee? If not, please reach out to the Water Co-Op to get your copy. New members are reminded that no Water Co-op Contract means no water.

Rules & Regulations / Emergency Response Plan

Members are reminded of the Co-Op rules and regulations. The Emergency Response Plan remains in place and is available on request.

Cistern Cleaning

The cistern will be cleaned — this will take approximately one day and the water will be off during that time. Cost estimated at \$600–\$800.

Generator

Set-up of the generator for the pump shack during a power outage has been completed.

Drought Conditions

There are currently no water restrictions in effect, but members should watch the County website for updates. Irrigation water will be turned on by the UID at their discretion — likely mid-May. The irrigation water can also be used in emergencies such as pumping for fire events.

Snow Removal

Protocol: (a) Call the County first — typical response is 2–4 days. (b) Private removal costs \$500 + GST. Snow removal is essential to ensure the community remains accessible for water, power, fire, and ambulance services.

Road Grading

Road grading via the County has been completed.

New Business for Discussion

New Garbage Trailer

A new garbage trailer has been acquired for the community.

Spring Clean-Up

Coordinating a community spring clean-up — volunteers welcome.

Speed Bumps, Fountain & Pond Raking

Reinstallation of speed bumps and the fountain, and raking of the pond are planned for this season.

Shed for Lawn Tractor

A 6' × 4.5' shed for the lawn tractor and maintenance equipment is being planned.

Weed Spraying

Weed spraying of common areas to be arranged.

Dog Park

Proposal to develop a dog park in the West common space, including fencing and signage.

Sports Area

Multi-activity poles (volleyball, badminton, tetherball) will be installed this spring in the circular green space. Looking for nets for these activities.

Summer Social Activities

Events voted on last year to proceed: August Long Party and New Year's Eve Party (with fireworks). Additional ideas include BBQ / pot luck, Sports Day, and a Water Meet-Up (kayaks, canoe, paddleboard on the pond).

Stray Animal Medical Care

A donation request for stray animal medical care has been brought forward for member discussion.

Weeds in Grass

Vote to approve a plan for managing weeds in the grass areas of common space.
